2.30pm

Christmas Service

Wednesday 20th
December

2.30pm

Dear Parents and Carers

The theme of our worship this week has been Joy, which as you will know, is one of our school values. I asked the children when they had last felt joyful and several Year 6 hands instantly shot up into the air (along with lots of others from the rest of the school!). I chose one of the Year 6 children to answer the question and she replied 'About five minutes ago because that is when I met my buddy.' She smiled down at her Willow Class buddy sitting beside her and was treated to a smile of equal proportions in return. I was once again warmed by the feeling of togetherness and family that is present all around our school.

We are busy putting together a beautiful display of what makes our school special, taking responses from pupils, staff, parents and governors. Some of our Year 6 children will be out before and after school to capture some of your thoughts to add to our display next week. So keep an eye out for them and please do share your thoughts.

We are all looking forward to our Harvest Service in the playground on Friday afternoon and would love for you to join us. This year we are kindly requesting donations of food for the Salvation Army to distribute and/or cash donations to the Send a Cow campaign. You can find more about this charity at sendacow.org.

Thank you for all of your kind donations to our Jeans for Genes day too we raised £118.57!

Mrs Karen Godsell, Headteacher.

Breakfast Club

Don't forget our new Breakfast Club is up and running this term. If you wish to book your child in for a regular session or a one-off slot, please see the Office for details.

Coats

As autumn arrives and the weather begins to chill, please ensure that your child has a jumper/cardigan and a coat in school and that they are clearly named.

Parent Consultations

Please note the change of date for the earlier of our parent consultation sessions. They will now take place on Tuesday 17th and Thursday 19th October. Sorry for any inconvenience caused

70% of our parents have now signed up to ParentHub. This is our new way of communicating with our parents. Please ensure that you check the app and enable notifications to keep up to date with school activity.
