- I only use the internet when an adult is with me
- I only click on links and buttons when I know what they do
- I keep my personal information and passwords safe online
- I only send messages online which are polite and friendly
- I know the school can see what I am doing online
- I will not use a teacher's I pad or lap top
- I will leave my electronic devises at home.
- I know that if I do not follow the rules then:
 - I will be warned
 - My name will be moved to amber
 - My name will be moved to red and I will be asked to come off the lap top or devise
- I have read and talked about these rules with my parents/carers
- If I see a picture that I don't like I will use Hector the protector to cover the screen and then get an adult.
- I always tell an adult/teacher if something online makes me feel unhappy or worried
- I can visit www.thinkuknow.co.uk to learn more about keeping safe online
