Dear Parents, Carers and Friends

The school has been full of wildlife and adventure this week. On Monday, Beech Class were pleased to welcome the keepers from the Wildwood Trust, with some furry friends to talk about animal conservation.

On Thursday pupils from Year 3, 4 and 5 visited the Living Land experience at Detling Showground. Thankfully, the weather held off for them and they all had a terrific day learning about farming, agriculture, the countryside and healthy eating. Experiences such as this are very important to us, given our village location.

On Friday, we were greeted by a very different sort of beast, with Zoolab leading workshops across the school with opportunities to learn about and handle snakes, spiders and a whole host of other creepy crawlies! Any child who held the tarantula was far braver than I am!

We are also heading into statutory assessment time for our Year 2 and Year 6 pupils. If you have any questions about the tests and their administration, please do talk to your child's class teacher who will be very happy to help.

On Friday next week, we are delighted to be inviting you all to join us for our Ascension Day worship at the church. Fr Robert will be leading the service and family and friends are very welcome to join us as always. The service will commence at 2.30pm and collection will be from the church for all pupils unless they attend and after school club on that day.

Finally, just a reminder about being ready for all weathers. With the weather so changeable at the moment, please ensure that your child has had sun-cream applied, and comes with a hat and a water bottle. Please also send them in with a waterproof coat or jacket as we have had several soggy children caught out in an unexpected shower!
