<i>Linked Policies</i>		

At Borden CEP School we recognise that the personal development of pupils, spiritually, morally, socially and culturally, plays a significant part in their ability to learn and achieve. We therefore aim to provide an education that provides pupils with opportunities to explore and develop their own values and beliefs, spiritual awareness, high standards of personal behaviour, a positive, caring attitude towards other people, an understanding of their social and cultural traditions and an appreciation of the diversity and richness of the cultures.

***As a professional organisation with responsibility for children's safeguarding it is important that all members of the community are fully aware of their professional responsibilities and read and sign this Acceptable Use Policy. This list is not exhaustive and visitors/volunteers are reminded that ICT use should be consistent with the school ethos, other appropriate school policies, relevant national and local guidance and expectations, and the Law.***

1. I will ensure that any personal data of pupils, staff or parents/carers is kept in accordance with the Data Protection Act 1998. Any data which is being removed from the school site (such as via email or on memory sticks or CDs) will be encrypted by a method approved by the school. If I am permitted access to any images or videos of pupils I will only use them as stated in the school image use policy and will always take into account parental consent
2. I have read and understood the school online safety (e-Safety) policy which covers the requirements for safe ICT use, including using appropriate devices, safe use of social media websites and the supervision of pupils within the classroom and other working spaces.

All communication will take place via school approved communication channels e.g. via a school provided email address or telephone number and not via personal devices or communication channels e.g. personal email, social networking or mobile phones. Any pre-existing relationships or situations that may compromise this will be discussed with the Senior Leadership team and/or Head of School.
5. My use of ICT and information systems will be compatible with my role within school. This includes the use of email, text, social media, social networking, gaming, web publications and any other devices or websites. I will take appropriate steps to protect myself online and my use of ICT will not interfere with my work duties and will always be in accordance with the school AUP and the Law

7. I will promote online safety with the children in my care and will help them to develop a responsible attitude to safety online, system use and to the content they access or create.

8. If I have any queries or questions regarding safe and professional practise online either in school or off site, then I will raise them with the Designated Safeguarding Lead/ Head of School.
