At Borden CEP School we recognise that the personal development of pupils, spiritually, morally, socially and culturally, plays a significant part in their ability to learn and achieve. We therefore aim to provide an education that provides pupils with opportunities to explore and develop their own values and beliefs, spiritual awareness, high standards of personal behaviour, a positive, caring attitude towards other people, an understanding of their social and cultural traditions and an appreciation of the diversity and richness of the cultures.

- I only use the internet when an adult is with me
- I only click on links and buttons when I know what they do
- I keep my personal information and passwords safe online
- I only send messages online which are polite and friendly
- I know the school can see what I am doing online
- I will not use a teacher's I pad or lap top
- I will leave my electronic devices at home.
- I know that if I do not follow the rules then:
 - I will be warned
 - My name will be moved to amber
 - My name will be moved to red and I will be asked to come off the lap top or device
- I have read and talked about these rules with my parents/carers
- If I see a picture that I don't like I will use Hector the protector to cover the screen and then get an adult.
- I always tell an adult/teacher if something online makes me feel unhappy or worried
- I can visit www.thinkuknow.co.uk to learn more about keeping safe online
